Skateboards

Students are reminded that skateboards should not be used as a means of transport to and from school and should not be ridden in the college grounds at any time. Skateboards can not be stored at the college.

Accountability

Students are reminded that full winter uniform is to be worn. All students MUST wear the school tie. Students should not remove the tie at recess or lunch time. Please discuss this with your child

School bags should not be taken into the classroom at any time. Students are provided with a locker that is large enough to accommodate the school bag. If a student has lost their locker key (including their spare key) they are advised to purchase another padlock.

World Environment Day

On Tuesday June 5th, year 7 students will be involved in an environmental forum during period 6. All students and parents will be invited to participate in a 'showerhead exchange' that will take place at the college during lunch time on the day. Up to three showerheads can be exchanged. Please see the newsletter for further details.

YEAR 8

The organisation for the **Tasmania Trip** has reached a very exciting stage. Permission forms and Itineraries have been distributed and the final day for deposits is Friday, 1st of June. As places are limited it is important that the deposits are paid promptly. Furthermore, a payment plan has been put into place to assist with payment for the trip and an information night will be organised for the students attending closer to departure. For further details contact either Annabel Reeves or Kylie Williams at the school.

The year 8s will have the opportunity to immerse them selves in the year 9 **Journey Program** later in the term. This will give them a taste of what to expect in 2008. Planning for this is well underway and more details will be presented as the date approaches.

An incursion involving the City of Casey's anti graffiti team is scheduled for the **22nd of June**. In previous years this has been received very well and informs the students of the many 'COSTS' of graffiti.

It is very important that all students are in full winter uniform for all of the school day. If there are any major problems with this, please contact home group teachers as soon as possible.

All students have been allocated a locker. Therefore, there should be no reason for students to have their school bags on them during the school day. A consequence will follow if students are found with their bag during school breaks or during class time without a legitimate reason.

The year 8 team encourage all year 8 students to investigate the plethora of lunch time activities being organised at school and to get involved. Furthermore, all students are encouraged to attend home work club to get some extra assistance if they are struggling academically. This takes place after school every Wednesday.

Year 8 Sub School Leader

YEAR 9

- A letter has gone home this week explaining the new mid-term Round Table that will take place for Journeys. These will be on Thursday May 24 and will ensure parents receive a report on their child's progress well before the end of the Journey. Regular Round Tables will take place at the end of term for other subjects. **It is essential that parents return the Journey appointment time forms this week.**

- As term 2 has started, winter uniform is now compulsory. Short sleeve shirts are not acceptable and ties are compulsory. Any uniform infringements require a note from parents.
- A visual diary was put on the booklist this year and students will be starting to use these in the next few weeks. These will be used across subjects, particularly in the Journeys, to document students' journey through year 9.
- A reminder to parents to (1) continue to sign planners every week and use them as a communication tool with teachers; (2) Provide a note explaining any absences when the student returns.

Careers Information

Careers Room is open each day from 1.00 pm to 1.30 pm. All Later Years students are welcome to come in at lunchtime. If students wish to discuss their career pathway they can make an appointment to see: Mrs. Trisha Sullivan Careers Coordinator or Mr. Benn Jamieson MIP's Coordinator.

It is VERY important that you do your own research. Read the Job Guide, read careers pamphlets and brochures collected from the Careers Room, careers expos and so on, talk to people about their careers and courses, attend Open Days. Making career decisions can be difficult; it will be much easier if you get your self informed. Don't think too much in advance; looking

ahead more than five years or so can make the career-decision making process too daunting.

Inclement Weather Bell Times

During the school year, there are occasions where inclement weather can make conditions very uncomfortable for students at lunchtime. By inclement weather, I refer to extremely cold, hot, windy or wet conditions that may prevail. On these days the college has decided to reduce the length of lunchtime by 10 minutes and dismiss students 10 minutes earlier (**i.e. at 3.11pm**).

However, if you have any particular reason for needing your child to remain at school until the normal dismissal time of 3.11pm, students may move into and remain in the Library for this period of time.

Kambrya College Student Uniform – Policy

Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- After consultation with the school community, College Council will develop a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and Winter uniforms, as well as a sports uniform will be prescribed, and are required to be worn.
- Stud earrings and sleepers; worn one in each ear lobe; plus watches are the only acceptable jewellery.
- **Extreme hair colors and/or extreme hairstyles (at the discretion of the Principal or their representative) are not permitted.**
- Other than clear nail polish, cosmetics may not be worn at school.

- As a sunsmart school we encourage all students to wear the college approved head cover.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal.

Evaluation:

- This policy will be reviewed as part of the school's three year review cycle.
