## 22 AUGUST 2007

### YEAR 7

The year 7 camps are winding down with Community 3 enjoying the beautiful weather at Woorabinda this week. All camps have been very successful, with students and teachers alike making the most of all outdoor activities and the amenities. Students have enjoyed the challenge of canoeing; the high ropes course and the camp cook out. Murrindindi, an Aboriginal elder who works with the college, has visited every camp, showing students how to throw a boomerang and sharing stories about his childhood. Students have played an active role in the running of the camp, working in duty groups to assist the cooks and maintaining neat and orderly dormitories.

Over the next few weeks many home groups will finalise the Community based projects that they commenced in term 2. We encourage you to discuss this aspect of the curriculum with your child. Towards the end of this term all students will be involved in a 'Picnic in the Past' which will centre of the theme of 'Learning from the Past' the current unit that is being studied.

**Joanne Wastle Year 7 Sub School Leader**

### YEAR 8

The new semester sees the introduction of a new unit. The Tread Lightly unit is an environmental unit that looks at various issues related to the state of the planet and the difference we all can make by thinking globally and acting locally. It is a chance for all year 8 students to think about the goals set at the round table conferences and start acting on them.

As part of this unit numerous environmental class projects are beginning to take shape. Garden beds have been planned and classes have begun tilling the soil. Audits of the school's energy use are taking place and strategies for recycling and minimising waste are being devised. And the excursion to an environmental park is going ahead this week.

The year 9 team is well advanced in planning the Journey Program for 2008. An information evening is planned for **Wednesday, 29<sup>th</sup> AUGUST**. More information regarding this very important evening will come via the students and this newsletter.

**Friday, 17<sup>th</sup> AUGUST** is the final payment date for the Tasmania Trip and is fast approaching. An information evening for this trip will be held on **Tuesday, 11<sup>th</sup>**

**SEPTEMBER.** The WHO, WHAT, WHEN, WHERE and WHY of the Trip will be presented on this evening.

It is very important that all students are in full winter uniform for all of the school day. If there are any major problems with this, please contact home group teachers as soon as possible.

All students have been allocated a locker. Therefore, there should be no reason for students to have their school bags on them during the school day. A consequence will follow if students are found with their bag during school breaks or during class time without a legitimate reason.

The year 8 team encourage all year 8 students to investigate the plethora of lunch time activities being organised at school and to get involved. Furthermore, all students are encouraged to attend home work club to get some extra assistance if they are struggling academically. This takes place after school every Wednesday.

**Steve Joakim**  
**Year 8 Sub School Leader**

## YEAR 9

- Uniform has been a major issue at the school recently. A reminder for students and parents that uniform is compulsory, including blue Kambrya pants with the orange stripe down the leg side. Also different coloured shirts under white shirts are not allowed. Short sleeve shirts are not acceptable and ties are compulsory. Any uniform infringements require a note from parents.
- Students should have returned their course selection forms for Year 10 by now. If any student has not done so it is essential they talk to their homegroup teacher urgently.
- Journey fees for this term should be paid as soon as possible or students may lose some Journey privileges. Also any outstanding fees from previous terms should be paid.
- Mid-term Roundtables will not be occurring in Year 9 this term. Journey teachers will be available to speak to parents at the regular Round Table interviews at the end of term.
- A reminder that IPods are not allowed to be used at school and will be confiscated. With the possibility of loss or stealing of these expensive items it is suggested students do not bring them to school.
- A visual diary was put on the booklist this year and students will be starting to use these in the next few weeks. These will be used across subjects, particularly in the Journeys, to document students' journey through year 9.
- A reminder to parents to (1) continue to sign planners every week and use them as a communication tool with teachers; (2) Provide a note explaining any absences when the student returns.

He will be talking about the news media text Fine Line and also the writing task in the end of year exam.

Students need to be at the theatre promptly (don't go to home group) with pen and paper to take notes.

## **Tuesday and Thursday after school Detentions.**

This term we will be continuing to hold after school detentions on Tuesday and Thursday every week.

- Students who are not in full school uniform or who arrive late to school will be issued with an after school detention.
- Please re-read the attached uniform policy relating to the winter uniform for term 2 (see below)
- Students have been informed in assembly and home group this week and warnings have been issued. Students with any concerns have had an opportunity to discuss this with their home group teacher this week.

University resources available to our students! Kambrya College VCE students are more than welcome to use the library and learning commons whenever they need to at Monash University (Berwick Campus).

Unfortunately we are unable to borrow books, but can photocopy with the purchase a photocopying card. There is a great library collection there especially in the way of business-related books.

## **GAP Activity Projects Applications**

Due to the ever increasing demand for volunteers around the world students who missed the original May 18 deadline are invited to still apply for projects departing in 2008. We are currently in the process of matching all applicants and they will all be notified shortly as to where they have been placed. Therefore if you receive any enquiries from students who would like to undertake a GAP year in 2008 please let them know that GAP still has a limited number of projects available and they are welcome to apply for them. A list of these projects will be published on our website [www.gapactivityprojects.org.au](http://www.gapactivityprojects.org.au) in early August and for your information the types of projects we usually have available are our TEFL projects in Asia and other projects in developing countries where volunteers are highly in demand.

## Careers Information

Careers Room is open each day during recess and lunchtime. All Later Years students are welcome to come in at lunchtime. If students wish to discuss their career pathway they can make an appointment to see: Mrs. Pauline van der Poel (Acting Careers Teacher) or Mr. Benn Jamieson (MIP's Coordinator).

It is VERY important that you do your own research. Read the Job Guide, read careers pamphlets and brochures collected from the Careers Room, careers expos and so on, talk to people about their careers and courses, attend Open Days. Making career decisions can be difficult; it will be much easier if you get your self informed. Please contact Mrs van der Poel for an appointment time.

## Inclement Weather Bell Times

During the school year, there are occasions where inclement weather can make conditions very uncomfortable for students at lunchtime. By inclement weather, I refer to extremely cold, hot, windy or wet conditions that may prevail. On these days the college has decided to reduce the length of lunchtime by 10 minutes and dismiss students 10 minutes earlier (**i.e. at 3.11pm**).

However, if you have any particular reason for needing your child to remain at school until the normal dismissal time of 3.11pm, students may move into and remain in the Library for this period of time.

# Kambrya College Student Uniform – Policy

## Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

## Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

## Implementation:

- After consultation with the school community, College Council will develop a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and Winter uniforms, as well as a sports uniform will be prescribed, and are required to be worn.
- Stud earrings and sleepers; worn one in each ear lobe; plus watches are the only acceptable jewellery.
- **Extreme hair colors and/or extreme hairstyles (at the discretion of the Principal or their representative) are not permitted.**
- Other than clear nail polish, cosmetics may not be worn at school.
- As a sunsmart school we encourage all students to wear the college approved head cover.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal.

## Evaluation:

- This policy will be reviewed as part of the school's three year review cycle.

# Kambrya College Student Uniform – Requirements

*The uniform is supplied by Graham Booth Menswear who carries a list detailing all aspects of the uniform requirements. The College Council asks that you support the College uniform policy from the time your child leaves home to their return.*

The uniform is not designed to stifle creativity; rather it designed to develop a sense of belonging. We expect our students will wear the uniform with pride, and that it will be neat and tidy at all times. In particular the following points should be noted:

- Body piercing is not permitted and only one plain stud or sleeper per ear lobe.
- Nails are to be kept short and clean, without acrylic extensions
- Coloured nail polish and make up are not acceptable
- Extreme hair colours and/or extreme hairstyles (at the discretion of the Principal or their representative) are not permitted.
- Students are to be clean shaven.

The Kambrya backpack is the only bag recommended for students.

## **PROTOCOLS FOR EARLY LEAVERS**

At Kambrya College the office staff provides parents with the highest quality customer response possible when enquiries are being made. The office staff endeavours to provide a service that is efficient, personal and friendly. Now that the College is made up of 1520 students and over 150 staff, the demands on our office staff can be extraordinary at peak times. For this reason we wish to inform parents of the following protocol.

**STUDENTS WILL ONLY BE CALLED UP ON THE PA SYSTEM OR BE COLLECTED FROM CLASS EARLY IN THE CASE OF AN EMERGENCY.**

If students need to leave school early for any reason, they **must** bring a note in their Student Planner that has been signed by a parent. This note in turn should be signed by their Homegroup Teachers or Year Level Leader. At the appropriate time the student should move across to the General Office, sign the Early Leavers Book and wait quietly in the foyer until they are picked up by their parents. **Students may only be picked up at recess, lunch time or after school.**

I hope you can assist us in this matter.

Mr Michael Muscat  
Principal Operations
