

YEAR LEVEL NEWS

14 SEPTEMBER 2007

YEAR 7

All students and teachers are preparing for the end of term Round Table Conferences. Students will be setting learning goals to discuss with their teachers and parents. We encourage all families to participate in this important event, accordingly ask that appointment slips are returned to their home group teachers as a matter of urgency.

Students are encouraged to clean out their lockers before the end of term, this will help them to be more prepared for term 4. As the weather becomes warmer during term 4 students are required to wear their full summer uniform. Parents are encouraged to ensure that their children are organised in this manner.

We continue to persist with helping students to be more organised by ensuring that they attend all classes on time. Students should arrive in the morning with enough time to get to the locker bay and then the home room no later than 9:00am.

Joanne Wastle Year 7 Sub School Leader

YEAR 8

Due to a number of reasons, a small number of places have become available for the year 8 trip to Tasmania from October 14th to 17th. If your child is interested in participating you need to contact Mrs Reeves at the College and pay a lump sum of \$550 to the office ASAP.

Journey Selection Sheets

All the Journey selection sheets for 2008 should be handed to home group teachers by Wednesday 5th of September. Any sheets handed in after this date could jeopardise student choices.

It is very important that all students are in full winter uniform for all of the school day. If there are any major problems with this, please contact home group teachers as soon as possible.

The year 8 team encourage all year 8 students to investigate the plethora of lunch time activities being organised at school and to get involved. Furthermore, all students are encouraged to attend home work club to get some extra assistance if they are struggling academically. This takes place after school every Wednesday.

Steve Joakim
Year 8 Sub School Leader

YEAR 9

- **Round table conferences:** Students have been given notices for Round Table conferences that will occur on Thursday September 20 and Friday September 21. Parents of students in Year 9 are encouraged to make appointments for Journey, Maths, Humanities and language teachers for these days.
- Uniform has been a major issue at the school recently. Students out of uniform are receiving lunchtime detentions and parents are asked to support this policy. A reminder for students and parents that uniform is compulsory, including blue Kambrya pants with the orange stripe down the leg side. Also different coloured shirts under white shirts are not allowed. Short sleeve shirts are not acceptable and ties are compulsory. Any uniform infringements require a note from parents.
- Invoices have been sent recently for Journey fees. In order for the continued success of this program at Year 9 it is essential that these should be paid as soon as possible, or students may lose some Journey privileges. Also any outstanding fees from previous terms should be paid.
- Mid-term Roundtables did not occur in Year 9 this term. Journey teachers will be available to speak to parents at the regular Round Table interviews at the end of term.
- A reminder that IPods are not allowed to be used at school and will be confiscated. With the possibility of loss or stealing of these expensive items it is suggested students do not bring them to school.
- A visual diary was put on the booklist this year and students will be starting to use these in the next few weeks. These will be used across subjects, particularly in the Journeys, to document students' journey through year 9.
- A reminder to parents to (1) continue to sign planners every week and use them as a communication tool with teachers; (2) Provide a note explaining any absences when the student returns.

Libby Evans on behalf of the Year 9 team.

Inclement Weather Bell Times

During the school year, there are occasions where inclement weather can make conditions very uncomfortable for students at lunchtime. By inclement weather, I refer to extremely cold, hot, windy or wet conditions that may prevail. On these days the college has decided to reduce the length of lunchtime by 10 minutes and dismiss students 10 minutes earlier (**i.e. at 3.11pm**).

However, if you have any particular reason for needing your child to remain at school until the normal dismissal time of 3.11pm, students may move into and remain in the Library for this period of time.

Kambrya College Student Uniform – Policy

Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- After consultation with the school community, College Council will develop a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and Winter uniforms, as well as a sports uniform will be prescribed, and are required to be worn.
- Stud earrings and sleepers; worn one in each ear lobe; plus watches are the only acceptable jewellery.
- **Extreme hair colors and/or extreme hairstyles (at the discretion of the Principal or their representative) are not permitted.**
- Other than clear nail polish, cosmetics may not be worn at school.
- As a sunsmart school we encourage all students to wear the college approved head cover.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal.

Evaluation:

- This policy will be reviewed as part of the school's three year review cycle.

The uniform is supplied by Graham Booth Menswear who carries a list detailing all aspects of the uniform requirements. The College Council asks that you support the College uniform policy from the time your child leaves home to their return.

PROTOCOLS FOR EARLY LEAVERS

At Kambrya College the office staff provides parents with the highest quality customer response possible when enquiries are being made. The office staff endeavours to provide a service that is efficient, personal and friendly. Now that the College is made up of 1520 students and over 150 staff, the demands on our office staff can be extraordinary at peak times. For this reason we wish to inform parents of the following protocol.

STUDENTS WILL ONLY BE CALLED UP ON THE PA SYSTEM OR BE COLLECTED FROM CLASS EARLY IN THE CASE OF AN EMERGENCY.

If students need to leave school early for any reason, they **must** bring a note in their Student Planner that has been signed by a parent. This note in turn should be signed by their Homegroup Teachers or Year Level Leader. At the appropriate time the student should move across to the General Office, sign the Early Leavers Book and wait quietly in the foyer until they are picked up by their parents. **Students may only be picked up at recess, lunch time or after school.**

I hope you can assist us in this matter.
