

Student Learning At KAMBRYA College

Where learning is designed to be:

Personal

At our College this means we strive to be:

- Responsive to the prior experiences and skills of students
- Responsive to the different ways students think and learn
- Responsive to the learning needs and interests of students

Holistic

At our College this means we strive to:

- Enhance intellectual and physical development
- Enhance emotional intelligence and resilience
- Enhance spiritual development and wisdom

Global

At our College this means we strive to:

- Develop a global perspective
- Develop intercultural understanding
- Develop internationally recognised skills and competencies
