

Dear Parents and Guardians

The end of this week marks the end of Semester 1, which began back on 10 November 2015. Students will need to ensure that all Semester 1 work is submitted by Friday 27 May, unless otherwise arranged. Next week is also the week of Years 8 to 12 Examinations. Year 7 classes proceed as normal, except for SEAL classes which will sit exams. It needs to be emphasised that exams are important because students need to become proficient at sitting exams in order to be successful. It is that simple. The exam period will be followed by a student free day on Friday 3 June which teachers are scheduled for a Correction and Report Writing Day.

Please note that Parent Teacher Conferences are scheduled for Wednesday 22 June. Information and booking arrangements will be sent to parents very soon. I cannot overstate the value and power of these conferences. They provide parents with the most comprehensive report on student progress in each subject. They are by far the most important and effective means for detailed and personalised discussion regarding their child's learning progress. I believe that they are far more valuable than paper reports. So please participate and engage in your child's learning progress.

Essential Information

CAR PARKING

As many parents are no doubt aware, drop-off and pick-up times around the College can be reminiscent of peak hour in the city! We strongly urge all parents to please consider parking in nearby streets to meet your children, rather than dropping off/picking up directly out the front of the school on Bemersyde Drive. Furthermore, we have received concerns from shop keepers in the Clock Tower Mews on Bemersyde Drive, as many parents are choosing to use the carpark as a thoroughfare, or are parking in customer spaces for extended periods. As a result, many of the shop keepers have reported that they are losing clientele or cannot unload the supply deliveries. Please be considerate to our local small businesses in this regard. For safety reasons, parents are not permitted to use the staff car parks for drop-off/pick up under any circumstances.
