

Dear Parent/Guardian,

RE: YEAR 8 SEMESTER ONE EXAMS 2018

Please take note of the following information regarding the 2018 Semester One Year 8 examinations. If you have any queries regarding these arrangements, or if your child has any foreseen or unexpected absences during this period, please contact your child's Sub-School Leader or Student Manager.

- **MONDAY 28th MAY – THURSDAY 31st May** – Year 8 Exams commence. Students should check the exam timetable attached. No homegroup is running during this week. Students proceed straight to their exam rooms.
- **FRIDAY 1st JUNE** – Report writing day – student free day
- **MONDAY 4th JUNE** – Semester Two classes commence. All students should ensure that they bring the appropriate materials for new units of study. Timetables will be updated on Compass.

All students are reminded that they are required to adhere to the rules for examinations. Students who breach these rules will face removal from the exam. All students must:

- arrive at their examination room at least five minutes before the scheduled entry time
- enter and exit the examination venue in silence and in an orderly manner
- follow all instructions from the supervisor, and remain seated and silent for the entire duration of the examination
- rigorously attempt all parts of the examination paper
- not possess any unauthorised electronic devices (eg mobile phones, digital watches) in the examination room. Calculators are only permitted where specified. Mobile phones and smart watches will be collected at the front of the exam room and returned to students at the end of each exam
- not take school bags or any other unauthorised books/resources into the examination venue
- not communicate in any way with any other student, including verbal, non-verbal or written forms.

We wish all students the best of luck in their examinations. Effective preparation is essential to their success, and we encourage all parents to discuss this with their child.

Kind Regards,

Pip Edwards
Assistant Principal

Qaisar Ameer
Exam Coordinator

Maximising the potential of each student
