

## Year 7 2020 Specialised Programs Application Process

Students who have identified Kambrya College as their number one choice on their Application for Year 7 Placement form are invited to apply for a place in any of the specialised programs on offer for Year 7 students in 2020. Please note the following:

1. The following programs: Athlete Development Program and Musician Development Program are run ***in addition to the standard Year 7 program and are open to application from all Year 7 students***
2. ***The SEAL program is run as a standalone program*** with a different curriculum to the standard Year 7 program. Applicants to the SEAL Program are also eligible to apply for any of the other specialised programs (Athlete Development Program or Musician Development Program) if they wish

All students wishing to apply for entry in any of the specialised programs will need to be aware of the following information:

- Due to the College's rapid enrolment growth, **it is highly unlikely that any students from outside the Designated Neighbourhood Boundary (DNB) will be accepted for enrolment in 2020. This applies to all students, including those wishing to apply for special curriculum programs (SEAL, ADP, MDP).** We will be catering for all students within our DNB first, and will most likely to be at full capacity. Students outside the DNB who have older siblings who will continue to be enrolled at the College in 2020 are exempted and will be guaranteed enrolment into mainstream classes. In 2019, 430+ families applied, and 125+ outside the DNB were declined
