**Re: cancellation of Year 7 Information Evening on Tuesday 17<sup>th</sup> March**

Dear parents, guardians, and students,

There is no need for alarm. We do not have a suspected or confirmed case of Coronavirus.

However, it is with regret that we are cancelling the Year 7 Information Evening that was scheduled for next Tuesday 17<sup>th</sup> March. We were looking forward to meeting with you all, however due to the increasing concerns regarding COVID-19, we feel that this evening would be an unnecessary risk at this point in time. We have made this decision in the best interests of our students, staff and community. We appreciate your understanding.

At this point in time, we will still proceed with the scheduled information evening on 22<sup>nd</sup> April, however this will be subject to further review closer to the date. We will advise you via your Primary Schools if the event is cancelled.

All relevant documentation for parents will be uploaded on our website on Thursday 26<sup>th</sup> March. Parents, guardians and students **do not** need to be concerned that you will miss the opportunities to apply for any special programs (eg. SEAL, Athlete Development Program, Musician Development Program).

Kind regards,

Keith Perry  
Principal
