Kambrya School Zone:

Priority enrolments are provided to students within our current School Zone as set out by the Department of Education and Training. We foresee that students within our school zone or with older siblings enrolled for 2021 will most likely bring the school to full capacity in Year 7 for 2021. Those outside our school zone, are still invited to attend the Transition Evening for more information, however due to restricted numbers enrolments are unlikely to be successful.
