

4 May 2020

Dear Parents/Guardians,

I hope that this letter finds you and your children in the best of physical and mental health during this difficult time.

Sadly, due to COVID-19 restrictions we are unable to hold school tours or our Transition Information Evening this term. It is normally one of our favourite events on the calendar!

As of today, our [website](#) has been refreshed with the following list of updated resources relating to 2021 Year 7 transition information:

- A Virtual School Tour (12 minutes)
- Narrated Year 7 Transition 'Info night' presentation (1 hour)
- Narrated Special Program 'Info night' presentations (approx. 20-30 minutes each)
- Updated flyers for all special programs
- A link to register that you have access the materials, and to ask questions

We kindly ask that you please take the time to complete the link mentioned above, as the information about who accesses these resources is useful for our 2021 planning, and the general questions that are asked will help to shape a frequently asked questions tab that will be uploaded to the website.

Please note that we can't provide any communication to you regarding the outcomes of your applications until Thursday 20th August, and this will be via your Primary Schools. Please do not ask us for outcomes of any applications prior to this date. This also applies to all special programs, and the dates for confirmation of placements in some special programs may not be confirmed until after this date due to interrupted application processes.

Thank you for your interest in our College, and for your patience as we have developed our new online transition processes for the year.

If you have any general transition related queries, please email rosetta.serra@education.vic.gov.au.

Kind Regards

Keith Perry
Principal

Maximising the potential of each student
