

Mission statement

To be the school of choice for talented sporting students in our community. We will achieve this by providing students with an opportunity to excel in their chosen sport, through a flexible approach to their learning.

What is the purpose of the Program?

The program aims to provide your child with the opportunity to:

- Discover clearly defined pathways to allow a seamless transition for students to pursue their sporting ambitions.
- Develop their skills in an inclusive, supportive and stimulating environment.
- Establish high level leadership qualities in their personal, educational and vocational endeavours.
- Access expert technical coaching at school with support from industry specialists
- Be involved in a structured personal development program that instils lifelong skills that encompass healthy and active lifestyles.
- Access a purposeful athlete mentoring program that challenges student mental and physical wellbeing, particularly in regards to training demands, competition pressure and sports psychology.

What makes the Athlete Development Program unique?

The program emphasises holistic athlete development, catering for a range of team and individual sports and will allow:

- Participation in a program with a flexible curriculum to suit training schedules
- Access expert technical coaching at school
- Parent/coach involvement
- Participation in training that is designed to enhance progression in each student's chosen sport

How is the Program structured?

2 x 100-minute blocks per week of Health, Sport & Physical Education:

- All Athlete Development Program students will be placed in the same Health and Physical Education class
- These lessons will focus on holistic athlete development from a practical and theory perspective, not just sport-specific skills

1 x 60-minute technical training session per week (Wednesday morning):

- Facilitated training programs designed and ran by our professional team and guest presenters.
- Sessions will focus on technical development, fitness training, strategic and tactical understanding of sports, injury prevention and holistic athlete development (leadership, resilience, decision making and communication skills).

How are students assessed throughout the Program?

Students will be assessed via the following:

- Health and Physical Education Common Assessment Tasks (Victorian Curriculum)
- Practical abilities: fitness assessments - based on individual student progress
- Semester reports (participation in class, effort in activities, leadership, teamwork, meeting task deadlines)
- LAB Reports – Learning, Attitude and Behaviour Reports

What are the expectations of students in the Program?

Expectations are high for students in the ADP. Your child will be expected to:

- Conduct themselves in a manner that meets the College's rules and expectations
- Comply with all training requirements and schedules as designed by coaching and support staff
- Demonstrate sportsmanship and fair play principles within the program and during any sport
- Adhere to College uniform requirements at all times, including wearing correct training attire when undertaking classes linked to the ADP
- Maintain acceptable results in their Interim and Semester Reports across all subjects. This will be based on an individual basis and will be at the discretion of ADP staff and Principal Team. Students will be expected to demonstrate genuine effort in all aspects of their schooling
- Maintain 90% attendance to all classes and scheduled training sessions

What pathways at Kambrya College are available if my child is in this Program?

ADP Program Structure

Health and Physical Education Subjects

- Year 7 and 8 Core Health and Physical Education
- Year 9 & 10 Health and Physical Education classes are chosen as electives, the recommended electives are below.

Are there any fees associated with the Program?

As participation in the Athlete Development Program is voluntary, not all of the cost will be covered within the College budget. In 2022 the entry fee for the Athlete Development Program is **\$500**. A deposit of \$100 is required by early December 2021, and the balance of \$400 must be paid by 14th February 2022.

What does the fee cover?

- Training top – ADP specific
- ADP Sweat towel
- ADP drink bottle
- Excursions/Incursions
- Specialised coaching
- Training program
- Access to industry professionals
- Course materials
- Breakfast every Wednesday morning
- Nutrition newsletters
- Parent information nights

Application Process

All students wishing to apply for entry into this program will need to be aware of the following information in conjunction with the Year 7 2022 Specialised Program Application Process:

- Enrolments are provided to students within our School Zone as set out by the Department of Education and Training. We foresee that students within our school zone or with older siblings enrolled for 2022 will most likely bring the school to full capacity in Year 7 for 2022. **This applies to all students, including those wishing to apply for special curriculum programs (SEAL, ADP, MDP)**
- Please refer to our website: <http://www.kambryacollege.com/year7-transition/> for further information.

The Special Program application process for ADP is listed below:

Stage 1:

- Complete the Online Expression of Interest form
***Proof of Residence validation as per the EOI form
- Complete the Online ADP Application and Student Profile form
Provide relevant references from sporting coaches. **Maximum of 2** references in total to be supplied –
Please **do not** submit school reports or certificates
Email references to: Rosetta.Serra@education.vic.gov.au

All application forms including the Edutest online registration will be available on our website from end of Term 1 2021 at: <http://www.kambryacollege.com/year7-transition/>

- Submit online Expression of Interest form and ADP Application and Student Profile form to Kambrya College and email all relevant documentation as per special program requirements **no later than May 7th, 2021.**
- Late Applications will not be accepted.

Stage 2:

- Applicants will be shortlisted at application stage by the college to enter Stage 3.
- Applicants not shortlisted will be notified in writing via email.
- College decisions are final.

Stage 3:

- Shortlisted applicants will be required to attend an interview and tryout. Tryouts will be held **on Tuesday 8th June 2021** and interviews **on Thursday 10th June 2021.**
- Shortlisted applicants will receive an email outlining tryout and interview times and other information.

Stage 4:

- After the tryout and interview, Kambrya College will notify shortlisted applicants if they are successful or unsuccessful of obtaining a place in the ADP program via email or post on **Thursday 5th August 2021** – following DET guidelines.
- College decisions are final. Only those living within the school zone with valid proof of residence documentation will be accepted.

Stage 5:

- Successful applicants will be required to return their Yr. 7 Special Program Acceptance Form by **27th August 2021 by 4pm** and change their Application for Year 7 Placement form (through child's Primary School) to identify Kambrya College as their first preference (if applicable). Your child's place will not be kept if we do not receive the acceptance form by the due date.
- Students who are not offered a place in the Athlete Development Program may be offered a position in the **Athlete Development Training Squad**. Information on the training squad program will be emailed out if this is applicable.
- Successful applicants who decline their offer will be removed from the program and their place will be taken up by another student where applicable.

Timelines and application process will be made available on the College website: <http://www.kambryacollege.com/year7-transition/>

Please note that the application process, may change at any stage. Should we be required to make changes our college website will have relevant information for all parents. We encourage parents to check our website regularly for any updates.
